PRODUCT :

Vanda Double Blind Recess with Partbox  
VA-PB-101 / 2

DESCRIPTION :

Double recessed aluminium bracket and cover plate designed to be recessed into ceiling to conceal the window blinds. Both sides of recess allowing blinds to run together through cover openings.

MATERIAL:

Powder coated aluminium in standard Vanda White or any Dulux powdercoat colour.

NOTES:

- Ensure there is space for window/door handles.
- Sewn pocket and lathe treatment recommended for blinds in this situation.
- Blinds can be manual or automated.
- Builders can form a recess cavity to allow for 2 x roller blinds set side by side. Vanda part box to fix on both sides of recess to conceal blinds.
- Flanged edge on room side for plasterboard to locate. Flangeless edge on window side. Blinds run together.
- Cavity Recess size is variable - approximate size is 200mm wide x 100mm high
