Available Somfy RTS Remotes

Situ Remotes

A stylish handheld remote available in White, with 1, 2 and 5 channel models for convenient day-to-day operation.

Telis Remotes

Available in White or Silver, with 6 and 16 channel models for larger multi-blind installations.

Smooove Wirefree Wall Mounted Controls

Sleek, wall-mounted control featuring a White faceplate and your choice of White, Silver, or Black frame. Available in 1, 2 & 4 channel models.

For multi blind installation, we recommend selecting a remote with one additional channel beyond the blind count. This spare channel can be programmed as an 'all blind' group, enabling all blinds in the room to operate together.
